

ECPE Hygiene Concept

All hygiene measures according to the current Bavarian Infection Protection Ordinance must be applied. **Beside the ECPE measures, please follow the measures of the event venue.**

Corona test for participation

Attending this event in face-to-face is only possible if, upon entering the building or at the gate, proof of a

- POC antigen test (rapid test, but no self-test at home) carried out no more than 24 hours ago

- or a PCR test carried out no later than 48 hours

with a negative result can be shown at the entrance. Fully vaccinated and recovered persons need NO test for participation but have to bring a certificate. Please note that ECPE staff will check the test proof at the registration desk. Thank you for supporting us to keep all participants healthy.

Participation in the event is only possible if you are healthy!

You are excluded from participating in an event if you have had contact with suspected or positive people for SARS-Covid in the last 14 days, have been in a risk area identified by the Robert Koch Institute or have unclear symptoms of the disease in the last 14 days (especially fever and respiratory problems). If you develop symptoms during the event, please contact the ECPE staff and leave the event.
