

European Sustainable Energy  
Cluster partnership for Africa

with the support of

# ESECA SECOND INTERNATIONAL NETWORKING EVENT MARCH 22 & 23 2023, GIJÓN, SPAIN

**Are you a company from the renewable energy and smart grids sectors? Are you interested in business collaborations in Africa?**

ESECA consortium invites you to attend its second international networking event, hosted by MetalIndustry4. Join us in Gijón to **design together the future business missions** to the target markets of the project: **Kenya, Tanzania, Senegal, Ghana, and Rwanda.**

**NETWORK** with European stakeholders interested in African markets

**LEARN** about success stories of European companies in the energy sector

**DISCOVER** programs to support collaborative innovative projects between Europe and Africa

**FINANCIAL SUPPORT  
AVAILABLE TO PARTICIPATE!**
